

Material Safety Datasheet

Creation Date: 01-03-2016

Revision Date: 02-05-2019

1. Product and Company Identification

Product name	ASFV Ag Rapid Test Kit
Product number	C30021
Company	Ring Biotechnology Co., Ltd Building 3, No.11, Kechuang 14th St, BDA, Beijing 100176 China
Technical Phone #	86-10-56467496
Fax	86-10-56242030
E-mail address	info@ringbio.com

2. Hazards Identification

This product contains no hazardous components as defined in the OSHA Hazard Communication Standard (29 CFR 1910.1200).

3. Composition/Information on Ingredients

Component name	CAS #	EC No	Annex I Index Number
ASFV Ag Rapid Strip	N/A	N/A	N/A
Sample buffer	N/A	N/A	N/A

4. First Aid Measures

This kit is intended for laboratory use only; none of the components can be ingested by human or other animals.

Ingestion If swallowed, wash out mouth with water, provided person is conscious. Call a physician or poison control.

Skin Contact Flush with copious amounts of water and wash with soap and water for at least 15 minutes. Remove contaminated clothing and shoes. Call a physician, if irritation or discomfort develops.

Inhalation Remove to fresh air. If breathing becomes difficult give oxygen. If breathing stops, administer artificial respiration. Call a physician.

Eye Contact Flush with copious amounts of water for at least 15 minutes. Check for and remove contact lenses. Assure adequate flushing by separating the eyelids. Call a physician. If medical attention is required, provide product label and/or MSDS.

5. Fire Fighting Measures

None of the components of this kit pose a significant risk in case of fire. Firefighting media should be selected to suit other materials involved in the fire. It is recommended that firefighters wear protective gear and self-contained breathing apparatus to limit their exposure.

6. Accidental Release Measures

Ventilate area. Shut off all sources of ignition. Wear appropriate protective gear. Wipe or pick-up materials, place in sealed container, dispose of in accordance with federal, state, and local regulations. Wash spill site thoroughly with soap and water after material pick-up is complete.

7. Handling and Storage

Store at 2-8°C, do not freeze.

8. Exposure Controls / Personal Protection

Refer to Sections 6 and 7.

9. Physical & Chemical Properties

Physical State: Not applicable.

Color: Not applicable.

Odor: None detectable.

pH: Not applicable

Boiling Point: Not applicable.

Melting Point: Not applicable.

Flash Point: Not applicable.

Flammability: Not Flammable.

Auto flammability: Will not occur.

Vapor Pressure: Not applicable.

Relative Density: Not applicable

Water Solubility: Not applicable.

10. Chemical Stability & Reactivity Information

This product is stable until the expiration date indicated on the kit label under the specified storage conditions. There are no known reactivity with these components. Refer to the kit insert for further information.

11. Toxicological Information

N/A

12. Ecological Information

N/A

13. Disposal Considerations

Disposal of Preparation Left: Dispose according to current regional and national rules.

Contaminated Containers: Dispose of following current regulations.

14. Transportation Information

Road / Railway Haulage ADR/RID: Not restricted.

Sea Freight IMO (IMDG): Not restricted.

Air Freight IATA (ICAO): Not restricted.

UN Number: Not applicable.

15. Regulatory Information

Symbols of Danger: None.

Please refer to the kit instruction carefully before operation.

16. Other Information

DISCLAIMER: This kit is intended for laboratory inspection use only. Not for drug, household or other uses. The above information is believed to be correct but does not purport to be all-inclusive and shall be used as a guide. Ring Biotechnology Co Ltd shall not be held liable for any damage resulting from handling or contact with the above product. The burden of safe use of these materials rests solely with the user.
